

Qonto AI Assistant

You're chatting with Qonto's AI assistant, an automated tool and not a human representative.

What I can help with:

- Answering questions about Qonto features and offering
- Guiding you through basic setups and how-to's
- Orienting you towards the right touchpoint if you need additional help

Important to know:

- I provide general information only, not financial, legal, tax, or accounting advice, and my responses may not tailored to your specific situation
- My responses may occasionally be incomplete or inaccurate
- If you need additional help, I'll connect you with our team
- Qonto disclaims liability for any errors, omissions, or outcomes resulting from the use of this assistant
- You should consult a qualified professional before making any decision based on my responses
- You remain solely responsible for your decisions and their consequences
- Your conversations help improve my responses (see [Privacy Policy](#))

You can end this chat and contact human support anytime.
